SECTION 3: NOTE TO THE SUBJECT OF THE BACKGROUND CHECK				
As required by the Texas Family Code 261.002, DFPS maintains a Central Registry of reported cases of child abuse and neglect. The DFPS Central Registry consists only of information gathered during Child Protective Services (CPS), Child Care Licensing (CCL), and Adult Protective Services (APS) facility investigations of child abuse and neglect in cases that were given a disposition of "reason to believe" for CPS and CCL cases or "confirmed and validated" for APS cases, and the person had a role of <i>designated perpetrator</i> or <i>sustained perpetrator</i> . (Please Note: Cases involving adult victims are not included in the DFPS Central Registry.)				
In addition, you will not clear the Central Registry check if you are involved as an alleged perpetrator in an open child abuse or neglect investigation being conducted by DFPS. A new Central Registry check may be requested at the conclusion of the investigation to determine whether you have been listed as a designated perpetrator on the Central Registry of Child Abuse and Neglect.				
The criminal history check from DPS will include all Texas-based arrests and dispositions, including both convictions and cases with unknown dispositions. In some cases, the search will produce juvenile criminal history results.				
If you dispute the criminal history returned from DPS, you will need to request a personal review with DPS. For more information, see www.dfps.state.tx.us/background_checks/ and www.dps.texas.gov/administration/crime_records/pages/errorresolution.htm
