

**REQUEST FOR PROPOSAL 23-001
AUDIO/VISUAL MEDIA AND CONTROL SYSTEMS PROJECT**

PART I

GENERAL REQUIREMENTS

1. PURPOSE: The Williamson County Children's Advocacy Center, herein after "CAC", seeks to enter into an agreement with a qualified Individual, Firm or Corporation, (Respondent), to provide all labor and materials necessary to provide turnkey solutions that include installation and user training for audio/visual media and control systems (herein AV Systems) and equipment in various rooms at the CAC.

Respondents are required to bid on all three (3) parts of the project.

2. BACKGROUND: The CAC is a non-profit organization, and our mission is to provide hope, healing, and justice for children and families impacted by abuse, violence, and exploitation in our community. The CAC recently renovated the current facility and expanded additional square footage to add a community room and meeting spaces. The CAC's FY24 Adopted Budget includes funds for AV Systems in three (3) areas within the CAC that are funded by a Federal grant through the City of Leander. The areas/parts of the project include the Community Room which can be subdivided into sides A & B, a Board/Meeting Room, and a Training/Conference Room.

Complete specifications can be viewed in Attachments D, E and F of this solicitation.

3. SOLICITATION PACKET: This solicitation packet is comprised of the following:

Part I – General Requirements	Page(s) 1-3
Part II – Insurance Requirements	Page 4
Part III – Terms and Conditions	Page(s) 5-6
Part IV – Scope of Work and Specifications	Page(s) 7-12
Attachment A – Bid Sheet	Page 13
Attachment B – Reference Sheet	Page 14
Attachment C – Subcontractor Information Form	Page 15
Attachment D – Part #1 Community Room Plan	Page 16 - 17
Attachment E – Part #2 Board/Meeting Room Plan	Page 18
Attachment F – Part #3 Training/Conference Room	Page 19

4. AUTHORIZED CONTACT: For questions or clarification of specifications, you may contact:

Williamson County Children's Advocacy Center
Darlene Lewis
Chief Operating Officer
Telephone: 512-943-3657
dlewis@wilcocactx.org

The individual listed above may be contacted by telephone or visited for clarification of the specifications only. No authority is intended or implied that specifications may be amended or alterations accepted prior to solicitation opening without written approval of the CAC.

5. SOLICITATION SCHEDULE: It is the CAC's intention to follow the solicitation timeline below:

Solicitation released	November 1, 2023
Pre-solicitation meeting and site visit	Wednesday, November 15, 2023 @ 9:00 AM, CST

Deadline to receive questions	November 17, 2023 @ 5:00 PM, CST
CAC responses to questions, addendums, and substitutions	Approximately November 22, 2023 @ 5:00 PM, CST
Deadline for submission of proposals	December 6, 2023 @ 3:00 PM, CST
Estimated award/purchase date	January 2024 or after

6. PRE-SOLICITATION MEETING AND SITE VISIT(S): A pre-solicitation meeting will be held to fully acquaint Respondents with the unique needs of the CAC. Each project room will be visited directly after the meeting.

The pre-solicitation meeting will be conducted on:
Wednesday, November 15, 2023, at 9:00 AM CST
Williamson County Children’s Advocacy Center
Community Room entrance
1811 S.E. Inner Loop
Georgetown, Texas 78626

Subsequent visits to the project sites will not be permitted. The CAC will not consider this pre-solicitation meeting mandatory, but highly encouraged. It is the responsibility of the Respondent to be familiar with the specifications herein and to ask any relevant questions they may have concerning this solicitation.

7. SOLICITATION UPDATE: Bids will be opened and read aloud in the Community Room, 1811 SE Inner Loop, immediately after the submittal deadline. Respondents shall be responsible for monitoring the CAC’s website at <https://wilcocac.org/Solicitations> for any updates pertaining to the solicitation described herein. Various updates may include addendums, cancellations, notifications, and any other pertinent information necessary for the submission of a correct and accurate response. The CAC will not be held responsible for any further communication beyond updating the website.

8. RESPONSE DUE DATE: Signed and sealed responses are due at or before **3:00 PM**, on the date noted above to the CAC. Mail or carry sealed responses to:

FedEx, UPS, Mail or Hand Deliver to:
Williamson County Children’s Advocacy Center
Attn: Darlene Lewis, COO
1811 S.E. Inner Loop
Georgetown, Texas 78626

- A. Responses received after this time and date shall not be considered.
- B. Sealed responses shall be clearly marked on the outside of packaging with the Solicitation title, number, due date and **“DO NOT OPEN”**.
- C. Facsimile or electronically transmitted responses are **not acceptable**.
- D. Late responses will be returned to Respondent unopened if return address is provided.
- E. Responses cannot be altered or amended after opening.
- F. No response can be withdrawn after opening without written approval from the CAC for an acceptable reason.
- G. The CAC will not be bound by any oral statement or offer made contrary to the written specifications.

9. GOODS: Respondent warrants and agrees that all materials supplied hereunder shall be NEW and manufactured and produced in compliance with the laws, regulations, codes, terms, standards, and/or requirements of Underwriter’s Laboratories Incorporated, all Federal, State, and local authorities, and all other authorities having jurisdiction, and that performance of goods shall be in accordance with the above laws, regulations, codes, terms, standards, and/or requirements, and agrees upon request, to furnish the CAC a certificate of compliance therewith in such forms as the CAC may require.

- A. In the event a question arises as the origin or validity of the products, CAC reserves the right to verify the origin with the manufacturer. In the event that the products have been acquired through unauthorized

channels CAC further reserves the right to return products for a full refund and seek damages if any have been incurred.

10. BEST VALUE EVALUATION AND CRITERIA: All solicitations received may be evaluated based on the best value for the CAC. In determining best value, the CAC may consider:

- Purchase price and terms;
- Reputation of Respondent and of Respondent's goods and services;
- Quality of the Respondent's goods and services;
- The extent to which the goods and services meet the CAC's needs;
- Respondent's past relationship with the CAC;
- The total long-term cost to the CAC to acquire the Respondent's goods or services;
- Respondent's successful record of post installation support;
- Any relevant criteria specifically listed in the solicitation.

The CAC reserves the right to reject any or all responses, or delete any portion of the response, or to accept any response deemed most advantageous, or to waive any irregularities or informalities in the response received that best serves the interest and at the sole discretion of the CAC.

11. COMMITTEE REVIEW: An evaluation committee will review each response for solicitation compliance and technical scoring in each category using the following weighted criteria. A consensus score will be assigned to each response for each project bid.

Respondents may be required to make an oral presentation to the selection team to further present their qualifications. These presentations will provide the Respondent the opportunity to clarify their proposal and ensure a mutual understanding of the services to be provided and the approach to be used.

- A. Price 30 Points**
- B. Quality of the vendor's goods and services 5 points**
- C. Meets CAC's Needs 50 Points**
- D. References 15 Points**

The evaluation process may reveal additional information for consideration. The CAC reserves the right to modify, without notice, the evaluation structure and weighted criteria to accommodate these additional considerations to serve the best interest of the CAC. However, as part of the award process, The CAC Board of Directors will have the final determination to approve the contract based on a consensus and subjective judgment based on all and any criteria factors to be considered.

PART II

INSURANCE: Respondent shall obtain and keep in effect during the term of this contract, insurance coverage in the below listed types and amounts. As evidence of insurance coverage, Respondent shall furnish to CAC certificate(s) of insurance before commencement of any work under this contract.

TYPE OF COVERAGE LIMITS

- A.** Worker's Compensation Statutory
- B.** Comprehensive General Liability \$1,000,000 Ea. occurrence / \$2,000,000 aggregate
- C.** Automobile Liability (owned/leased, non-owned, and hired)
 - 1.** Bodily Injury \$1,000,000 Ea. Person / \$1,000,000 Ea. Occurrence
 - 2.** Property Damage \$1,000,000 Ea. Occurrence

**PART III
TERMS AND CONDITIONS**

- 1. AGREEMENT TERM:** The term of the Agreement shall begin from date of award and shall remain in full force until all items been delivered, installed, and inspected by CAC staff. If the Respondent fails to perform its duties in a reasonable and competent manner, the CAC shall give written notice to the Respondent of the deficiencies and the successful Respondent shall have thirty (30) days to correct such deficiencies. If the Respondent fails to correct the deficiencies within thirty (30) days, the CAC may terminate the agreement by giving the Respondent written notice of termination and the reason for the termination. If the agreement is terminated, for any reason, respondent shall turn over all material, records and deliverables created to date within fifteen (15) working days after completion of duties through the termination date.
- 2. RESPONDENT REQUIREMENTS:** The opening of a solicitation shall not be construed as the CAC's acceptance of such as qualified and responsive.

 - A.** Respondents shall be firms, corporations, individuals or partnerships normally engaged in the sale and distribution of the commodities specified herein.
 - B.** Respondent shall possess state licensing if required.
 - C.** Respondent shall possess no less than five (5) years in the consulting, design, installation and training of commercial audio/video systems.
 - D.** Employees of successful respondent shall be subject to a criminal background check, sex offender check, and warrant search.
 - E.** Provide all labor, supplies, and materials required to satisfactorily perform the services as specified herein and own or acquire at no cost to the CAC all construction aids, appliances, and equipment Respondent deems necessary and maintain sole responsibility for the maintenance and repair of Respondent's vehicles, equipment, tools, and all associated costs. The CAC shall not be responsible for any Respondent's tools, equipment, or materials lost or damaged during the performance of the services specified herein.
 - F.** Be domiciled in or have a home office inside the United States. Respondents domiciled outside the United States, or not having a home office inside the United States will not be included for consideration in this procurement process.
- 3. SUBCONTRACTORS:** If Subcontractors will be used the Respondent is required to complete and submit with their bid response Attachment C: Subcontractor Information Form. The Contractor shall be fully responsible to the CAC for all acts and omissions of the Subcontractors just as the Contractor is responsible for the Contractors own acts and omissions. The Contractor shall:

 - A.** Require that all deliverables to be provided by the Subcontractor be provided in strict accordance with the provisions, specifications, and terms of the Contract.
 - B.** Require that all Subcontractors obtain and maintain, throughout the term of their agreement, primary insurance in the type and amounts specified for the Vendor, with the CAC being named as an additional insured; and
 - C.** Require that the Subcontractor indemnify and hold the CAC harmless to the same extent as the Contractor is required to indemnify the CAC.
 - D.** Awarded Contractor is required to submit a list of all subcontractors for approval by the CAC prior to use of any subcontractors throughout the term of the contract.
- 4. PRICING:** The Respondent shall determine and submit a fixed cost for the work and shall include all incidental costs, labor, overhead charges, travel, payroll expenses, freight, equipment acquisition and maintenance, demurrage, fuel surcharges, delivery charges, costs associated with obtaining permits, insurance, bonds, and risk management. No separate line-item charges shall be permitted for either response or invoice purposes.
- 5. COSTS INCURRED:** Respondent shall acknowledge that the issuance of a solicitation shall in no way obligate the CAC to award a contract or to pay any costs associated with the preparation of a response to said solicitation. The costs in developing and submitting proposals, preparing for, and participating in oral presentations or any other similar expenses incurred by a Respondent are the sole responsibility of the Respondent and shall not be reimbursed by the CAC.
- 6. PERFORMANCE REVIEW:** The CAC reserves the right to review the awarded respondent(s) performance at any time during the contract term.

7. **ACCEPTANCE/INSPECTION:** Acceptance inspection should not take more than fifteen (15) working days. The awarded respondent will be notified within the time frame if the services delivered are not in full compliance with the specifications. In the event the services or products are not to the satisfaction of the CAC; the vendor shall agree to reperform services or replace items to specification at no additional cost to the CAC. If any agreement or purchase order is cancelled for non-acceptance, the needed services may be purchased elsewhere.
8. **ORDER QUANTITY:** The quantities shown on the solicitation are estimates only. No guarantee of any minimum or maximum purchase is made or implied. The CAC will only order the services/goods needed to satisfy requirements within budgetary constraints, which may be more or less than indicated.
9. **PERMITS:** The successful Respondent shall verify and obtain all necessary permits (no permit fees will be waived), licenses, and/or certificates required by federal, state, and local laws, ordinances, rules, or regulations for the completion of the services as specified if required for the project.
10. **AWARD:** The CAC reserves the right to enter into an Agreement or a Purchase Order with a single award, split awards, non-award, or use any combination that best serves the interest and at the sole discretion of the CAC. Respondents to the solicitation will be notified when CAC staff recommendation of award has been made. Award announcement will be posted on the CAC website at <https://wilcocac.org/Solicitations> and made upon CAC's Board of Director's approval of staff recommendation and executed agreement.
11. **POST-AWARD MEETING:** The CAC and Respondent shall have a post-award meeting to discuss, but not be limited to the following:
 - A. Provide CAC contact(s) information for implementation of agreement.
12. **PROMPT PAYMENT POLICY:** Payments will be made in accordance with the Texas Prompt Payment Law, Texas Government Code, Subtitle F, Chapter 2251. The CAC will pay Vendor within thirty days after the acceptance of the supplies, materials, equipment, or the day on which the performance of services was completed or the day, on which the CAC receives a correct invoice for the supplies, materials, equipment, or services, whichever is later. The Vendor may charge a late fee (fee shall not be greater than that which is permitted by Texas law) for payments not made in accordance with this prompt payment policy; however, this policy does not apply to payments made by the CAC in the event:
 - A. There is a bona fide dispute between the CAC and Vendor concerning the supplies, materials, services or equipment delivered or the services performed that causes the payment to be late; or
 - B. The terms of a federal agreement, grant, regulation, or statute prevent the CAC from making a timely payment with Federal Funds; or
 - C. There is a bona fide dispute between the Vendor and a subcontractor or between a subcontractor and its suppliers concerning supplies, material, or equipment delivered or the services performed which caused the payment to be late; or
 - D. The invoice is not mailed to the CAC in strict accordance with instructions, if any, on the purchase order or agreement or other such contractual agreement.
13. **NON-APPROPRIATION:** The resulting Agreement is a commitment of the CAC's current revenues only. It is understood and agreed the CAC shall have the right to terminate the Agreement at the end of any CAC fiscal year if the Board of Directors of the CAC does not appropriate funds sufficient to purchase the estimated yearly quantities, as determined by the CAC's budget for the fiscal year in question. The CAC may affect such termination by giving Vendor a written notice of termination at the end of its then current fiscal year.

PART IV

SPECIFICATIONS / SCOPE OF WORK

The Williamson County Children's Advocacy Center seeks an audio-visual technology contractor who is qualified to design and provide a turnkey solution for audiovisual and media equipment (Display, Audio, Video) as detailed in this Request for Proposal. The contractor shall provide all design, labor, materials, delivery, equipment, warranties, tools, software, test equipment, related data communication networks, licenses, and support to furnish and install as required to complete the project for all work in accordance with the scope of work and specifications provided in this RFP.

1. **DELIVERY AND INSTALLATION:** A. Delivery and installation shall be performed at the following location:
 - A. Delivery and installation shall be performed at the following location:

Williamson County Children's Advocacy Center
1811 S.E. Inner Loop
Georgetown, Texas 78626
 - B. Delivery and installation shall occur between the hours of 8:00AM to 5:00PM Monday through Friday unless otherwise approved by the CAC's POC.
2. **CONTRACTOR RESPONSIBILITIES:** The Contractor shall:
 - A. Notify the CAC's designated personnel to schedule delivery and installation.
 - B. Check in with the Administration Office upon arrival on site.
 - C. Communicate all status updates, manufacturing delays, etc. to the CAC's POC.
3. **PRE-INSTALLATION INSPECTION:** Successful Respondent shall conduct an advance assessment for any obstructions that would limit or alter the planned AV Systems installation.
4. **SYSTEM MAINTENANCE AND REPAIRS:** Successful respondent shall agree to the following service levels:
 - A. Provide emergency on-site service to system within four (4) hours of telephone or written notification from CAC;
 - B. Provide 24-hour toll-free telephone support with a maximum 10-minute call back wait time to CAC.
5. **PRICING:** Pricing indicated in the bid form shall be all inclusive of all labor, equipment, freight, and fees necessary to provide and install AV Systems specified herein. No additional fees shall be permitted.
 - A. All prices MUST be firm for the life of the contract.
 - B. Tax Exemption. Do not include Federal Excise, State or City Sales Tax for which a non-profit 501 (c)(3) is exempt under State Law. The CAC shall furnish a tax exemption certificate, if required.
6. **GOODS:** The products furnished under said specification shall be the latest approved model in current production, as offered to commercial trade, and shall be of quality workmanship and material. The Vendor represents that all equipment offered under said specification shall be new. **USED, SHOPWORN, DEMONSTRATOR, PROTOTYPE, OR DISCONTINUED MODELS ARE NOT ACCEPTABLE.**
7. **ACCEPTANCE TESTING:** Successful Respondent shall provide complete acceptance testing of all AV System components prior to job closeout and CAC staff training.
8. **CAC STAFF TRAINING:** Successful Respondent shall provide training sessions upon successful completion of installation. Training session shall:
 - A. Provide instruction up to 4 CAC personnel / IT over one (1) 2-hour session;
 - B. Numbering/labeling of all wiring per Williamson County Information Technology Cabling standards. The standards are available in PDF format at <https://wilcocac.org/Solicitations>.
 - C. System diagrams and as-built drawings reflective of numbering/labeling.
9. **O&M MANUALS:** Upon award, successful respondent shall provide two (2) sets of user manuals for each type of item purchased.

10. QUANTITIES: The quantities shown on the solicitation are estimates only. No guarantee of any minimum or maximum volume is made or implied. The CAC shall only order the goods needed to satisfy operating requirements within budgetary constraints, which may be more or less than indicated.

11. CAC RESPONSIBILITY: CAC shall provide a project representative for the purpose of scheduling installation and approving work upon completion. Installation shall be conducted while the project area is not in use.

12. WARRANTY: The goods and services shall be warranted against defects in material and workmanship for a period of not less than one (1) year beginning with the date of acceptance:

- A. If the manufacturer's warranty exceeds one year, the manufacturer's warranty shall apply.
- B. The warranty shall cover replacement and installation of any equipment that fails during the warranty period within 15 days of written notification from CAC.

13. WARRANTY SERVICE WORK: Successful respondent shall be required to coordinate and/or perform warranty work, at no cost to the CAC, within 48 hours of notification by a factory-trained technician. Successful respondent shall be responsible for all transportation and shipping costs.

14. NON-WARRANTY SERVICE WORK: Successful respondent shall provide on-going maintenance of the AV Systems if required. An hourly price for non-warranty service work shall be provided. Respondent shall maintain 24-hour per day emergency telephone access and provide on-site response to an emergency within four (4) hours of notification.

15. EMERGENCY SUPPORT: Respondent shall maintain 24-hour per day emergency telephone support in the event of system failure.

Area #1: Community Rooms A & B

The Community Room has the ability to be one large space or two separate spaces with a movable divider. Each side should mirror the other and work as each independent space and/or in combination as one whole space. Provide and install two (2) new 86" Interactive displays total on the front wall of the Community Rooms A & B. One interactive display will be one each section of the room. Each 86" display must have the capability to project separate picture displays simultaneously. Provide and install two (2) new 86" non-touch displays/monitors total on the side walls of Classroom A & B. Two 7" touchscreens will be needed to control interface, power on/off, input, and the volume. These touchscreens need options to secure the devices for security. Include HDMI and USB cables for connectivity. Network cameras to be installed for hybrid meetings to view the presenter and audience. Additionally, two (2) on-board computers to be installed in interactive displays. There is an existing AV rack in an adjacent storage within the room on Community Room side A.

Display:

- LED display preferred.
- Two 7" touchscreen will be needed to control interface, power on/off, input, and the volume.
- Include HDMI and USB cables for connectivity.
- The control panel should have the capability of being locked out to avoid unauthorized access.
- Must support screen sharing/casting from multiple devices through Wi-Fi.
- Wall mounts to be included with installation of displays.

Audio:

- Recommend a full digitally networked sound system solution including a digital mixer, loudspeakers, processing, and amplification, and microphones.
- A minimum of 2 wireless microphone systems with handheld, lapel, and head-worn microphone options and appropriate antennas
- Provide RF coordination for all wireless microphones.
- Ceiling-mounted or wall mounted speaker system.
- Ability to record audio.
- Must support screen sharing/casting from multiple devices through Wi-Fi.

Video:

- Add the ability to broadcast audio and video to online destinations such as Facebook, YouTube, Livestream.com, etc.
- The system should also be capable of incorporating hybrid and remote conferences such as Zoom, Teams, GoToMeeting, etc.
- Ability to record audio and video.
- Ability to host hybrid remote meetings in the room.

General Requirements:

- All systems should be configured according to CAC needs, and final configurations are to be approved by CAC.
- All systems should include programmable touch panel controls for easy control.
- Data drops (must be CAT6e certified cabling and comply with Williamson County Information Services Data Cabling requirements).
- Uninterrupted Power Supplies (UPS) should be included to protect critical rack-mounted systems.
- Programmable control systems (as required).
- Signal Flow diagrams for all systems.
- All systems must support remote management.
- Provide options for all-in-one carts to suit the area.
- Physical Security options for proposed hardware.
- Network security.
- Electrical work must be included.
- Construction repair & painting must be included.
- Any other installation service costs.

- Installation costs for cart mounts, wall mounts, etc.

The CAC may request changes that would increase, decrease, or otherwise modify the Scope of Work under the resulting agreement. Such changes or additional services must be in accordance with the provisions of the RFP and resulting agreement and must be contained in a written amendment, executed by the parties.

Area #2: Board/Meeting Room

The Board/Meeting room is a linear space with a capacity of 12 persons. Provide and install one (1) new 65" display on the side wall (west wall) in the Board/Meeting Room. The 65" display must have the capability to project separate picture displays simultaneously. Network camera to be installed for hybrid meetings to view presenter and audience. Additionally, one (1) on-board computer may need to be installed in interactive displays (recommendation sought).

Display:

- LED display preferred.
- LED controls, table mount, including, settings, power on/off, input select, etc.
- HDMI connection available near control panel capable of carrying audio and video signals to the entire system.
- Must support screen sharing/casting from multiple devices through Wi-Fi.

Audio:

- Recommend a full digitally networked sound system solution including a digital mixer, loudspeakers, processing, and amplification, and microphones.
- A minimum of 1 wireless microphone systems with handheld, lapel, and head-worn microphone options and appropriate antennas
- Provide RF coordination for all wireless microphones.
- Wall-mounted speaker system.
- Ability to record audio/video.

Video:

- Add the ability to broadcast audio and video to online destinations such as Facebook, YouTube, Livestream.com, etc.
- The system should also be capable of incorporating hybrid and remote conferences such as Zoom, Teams, GoToMeeting, etc.
- Ability to record audio and video.
- Ability to host hybrid remote meetings in the room.

General Requirements:

- All systems should be configured according to CAC needs, and final configurations are to be approved by CAC.
- All systems should include programmable touch panel controls for easy control.
- Data drops (must be CAT6e certified cabling and comply with Williamson County Information Services Data Cabling requirements).
- Programmable control systems (as required).
- Signal Flow diagrams for all systems.
- All systems must support remote management.
- Provide options for all-in-one carts to suit the area.
- Physical Security options for proposed hardware.
- Network security.
- Electrical work must be included.
- Construction repair & painting must be included.
- Any other installation service costs.
- Installation costs for cart mounts, wall mounts, etc.

The CAC may request changes that would increase, decrease, or otherwise modify the Scope of Work under the resulting agreement. Such changes or additional services must be in accordance with the provisions of the RFP and resulting agreement and must be contained in a written amendment, executed by the parties.

Area #3: Training/Conference Room

The Training/Conference room has the capacity to seat 44 people with tables/chairs. The room will be oriented to reduce the noise for the adjacent rooms used for therapy sessions. Provide and install two (2) new 75" Interactive displays on the wall backing the main corridor (east wall). Each 75" display must have the capability to project separate picture displays simultaneously. One 7" touchscreen will be needed to control interface, power on/off, input, and the volume. Include HDMI and USB cables for connectivity. Network cameras to be installed for hybrid meetings to view presenter and audience. Additionally, two (2) on-board computers to be installed in interactive displays.

Display:

- LED display preferred.
- HDMI connection available near control panel capable of carrying audio and video signals to the entire system.
- The control panel should have the capability of being locked out to avoid unauthorized access.
- Must support screen sharing/casting from multiple devices through Wi-Fi.

Audio:

- Currently has six (6) existing speakers in the ceiling. Would prefer to reuse it if adequate.
- Add audio processors as needed.
- A minimum of 2 wireless microphone systems with handheld, lapel, and head-worn microphone options and appropriate antennas
- Provide RF coordination for all wireless microphones.
- Ability to record audio.

Video:

- Add the ability to broadcast audio and video online destinations such as Facebook, YouTube, Livestream.com, etc.
- The system should also be capable of incorporating hybrid and remote conferences such as Zoom, Teams, GoToMeeting, etc.
- Ability to record audio and video.
- Ability to host hybrid remote meetings in the room.

General Requirements:

- All systems should be configured according to CAC needs, and final configurations are to be approved by CAC.
- All systems should include programable touch panel controls for easy control.
- Data drops (must be CAT6e certified cabling and comply with Williamson County Information Services Data Cabling requirements).
- Programmable control systems (as required).
- Signal Flow diagrams for all systems.
- All systems must support remote management.
- Provide options for all-in-one carts to suit the area.
- Physical Security options for proposed hardware.
- Network security.
- Electrical work must be included.
- Construction repair & painting must be included.
- Any other installation service costs.
- Installation costs for cart mounts, wall mounts, etc.

The CAC may request changes that would increase, decrease, or otherwise modify the Scope of Work under the resulting agreement. Such changes or additional services must be in accordance with the provisions of the RFP and resulting agreement and must be contained in a written amendment, executed by the parties.
